

IN THE DRAWINGS:

Delete Figure 9 without prejudice.

Renumber Figure 10 as Figure 9, as shown in the attached.

REMARKS

The Notice of Drawing Inconsistency with Specification ("Notice") indicated that the specification discusses 9 figures in the Brief Description of the Drawing, but that the application was filed with 10 figures. This Notice was mailed after the mailing of the Notice of Allowance.

Applicants are submitting this amendment under 35 U.S.C. § 1.312, and request entry thereof. In this Amendment, original Figure 9 has been deleted, as it is superfluous and does not add to the understanding of the invention. Original Figure 10 has been renumbered as Figure 9. Since a figure was deleted, Applicants have also renumbered the number of drawing sheets.

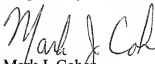

A marked up version and a clean copy of the figures are submitted herewith. As amended, the figures are consistent with the text of the specification.

No new matter has been added to the application.

Entry of this Amendment is respectfully requested.

Wherefore, the present application is in condition for allowance, which action is earnestly solicited.

Respectfully submitted,

Mark J. Cohen
